Mental Health Advice and Information Service

Mental Health Advice and Information Service

Are you having problems that are affecting the way you feel?

This could be a problem with benefits or housing, for example, or you may need information about something else. Perhaps you feel that you're just not coping with things at the moment and it would help to talk it through with someone. Dealing with these issues may improve the situation and make you feel less worried or upset.

Where can you get help?

We offer regular advice sessions at your GP surgery, or local clinic. We work with people who are experiencing problems such as stress, anxiety or depression.

The Vale of Glamorgan Council manages and funds this service.

What can the service do for you?

We offer advice and support to help you to sort things out. Sometimes we can do this ourselves. Sometimes we need to point you in the direction of another service but, if this is the case, we can help you get in touch with them.

What about confidentiality?

We will **not** have access to your medical records.

To start with we just need basic contact information such as your name, address and date of birth, for example.

We are likely to need more information in order to advise you properly but, if this is the case, we will talk to you about this.

When we have finished the work we are helping you with, we usually write to your doctor, to let them know the outcome.

We do not usually pass on other information (to your doctor, or to other agencies), without your permission. However, sometimes we have to. If we believe that someone is going to be at risk of significant harm, for example, we might have to do something to protect them.

What happens now?

If you want to use this service, you can fill in your details on the enclosed form and hand it in to reception, or you can request your GP to refer you to us directly. We will get in touch with you as soon as possible, to arrange an appointment.

Os gellwch wneud rhywbeth amdani bydd mwy o gyfle i chi wella eich sefyllfa a theimlo'n llai diflas a phoenus o ganlyniad.

Ble cewch chi gymorth?

Byddwn yn cynnal sesiynau cynghori rheolaidd yn eich meddygfa neu'ch clinig lleol. Bydd pob math o bobl yn dod atom, gan gynnwys rhai sy'n bryderus, o dan bwysau neu'n isel eu hysbryd.

Mae'n bosibl y bydd angen mwy o wybodaeth arnom yn nes ymlaen er mwyn eich cynghori'n iawn, ond os felly, byddwn yn trafod y mater â chi.

Ar ôl gorffen eich helpu, byddwn fel arfer yn anfon adroddiad at eich meddyg teulu.
