

Dear new home owner

Congratulations on the purchase of your new home. To help you and your family settle in to your new community, the Vale of Glamorgan Council would like to offer support and guidance on education services in your area.

The Vale of Glamorgan's School Access team manages applications for all Community and Voluntary Controlled schools across the Vale.

To find the nearest nursery, primary or secondary school for your new home, please follow the link and enter your new postcode

If you wish to apply for admission to a Voluntary Aided or Foundation school, please follow the admissions guidance on the school's website.

A new Parental Guide to School Admissions is available each October and will give you guidance for admissions to schools for the following school year. You can access the guide at:

The website link above will also help with any queries that you may have about inter year admissions or how to apply for places outside of the normal admissions process.

In order that we can plan for the future needs of education for your children we would be very grateful if you could take a moment to complete the 'New School' questionnaire so that we can understand your needs.

I do hope that you enjoy your new home and your child / children continue to enjoy their education experience in the Vale of Glamorgan.

Yours sincerely

A Brown
