FINANCIAL PROCEDURE RULES

17.1 General

- 17.1.1 The Council collects and spends large sums of public money. Sound financial control is, therefore, essential in order to maintain accountability at all levels of management.
- 17.1.2 An effective system of financial control must be supported by a written code which sets out a clear framework of financial administration. Financial Procedure Rules (FPRs) provide such control and govern the way in which the Council manages its finances and safeguards its assets.
- 17.1.3 These Rules are intended to be read in conjunction with the Council's Contracts Procedure Rules (CPRs) and will be supported, where necessary, by Financial Procedure Notes which give instructions on specific areas of financial control. These Rules apply to schools, who must also have regard to the Financial Scheme for Schools, which is based on the legislative requirements of the Schools Standards and Framework Act 1998.
- 17.1.4 Compliance with CPRs, FPRs and any associated policies, strategies or procedure notes is mandatory for all Members and employees of the Council. Where a Chief Officer has been issued with delegated powers the application of those powers will still be subject to such compliance.

17.2 Roles and Responsibilities

17.2.1 Council

The Roles and Responsibilities of the Council are as defined in **Section 14** of the Council's Constitution.

17.2.2 Cabinet

The Roles and Responsibilities of Cabinet are as defined in Section 14 of the Council's Constitution.

17.2.3 Chief Executive

17.2.3.1 The Chief Executive is appointed under Part 4 of the Local Government and Housing Act 1989 and Section 54 of the Local Government and Elections (Wales) Act 2021.

17.2.3.2 The Chief Executive has delegated powers to act, after consulting with the appropriate Cabinet Member and, in the case only of matters involving the Council in additional financial commitments, the Leader(s), the Section 151 Officer and appropriate Chief Officer(s) in respect of any matter which, in his/her opinion:

- (a) requires immediate action; and,

- (b) does not justify holding a special meeting of the body which would usually consider the matter, or, it is of such urgency as not to allow time for such a meeting; the use of such delegated powers to be subsequently reported back to the next Cabinet or Council as appropriate.

17.2.3.3 The Chief Executive is the lead director on corporate areas of activity, policy and organisational development.

17.2.3.4 The Chief Executive has overall responsibility for managing and deploying the budget and wider resources in order to meet the Council's current and longer term strategic objectives.

17.2.4 Section 151 Officer

17.2.4.1 The Section 151 Officer has specific responsibilities for the overall finances of the Council, under the general direction of the Cabinet, including:

- (a) establishing a clear framework for the financial management of the Council's affairs and for ensuring that arrangements for their proper administration are made under Section 151 of the Local Government Act 1972;
- (b) acting as the Proper Officer to whom all other Officers must account to for all money and property committed to their charge under Section 115 of the Local Government Act 1972;
- (c) determining the accounting records including the form of accounts and supporting accounting records to be adopted by the Authority under the Accounts and Audit (Wales) Regulations 2014 (as amended from time to time);

- (e) having delegated authority under the Accounts and Audit (Wales) Regulations 2014 (as amended from time to time) to maintain an adequate and effective system of internal audit.

17.2.4.2 The Section 151 Officer will agree departmental financial management arrangements with Chief Officers which ensure that the role defined above is properly carried out and is in accordance with the best accounting practices. To this end:

- (a) no changes to agreed procedures or financial systems should be implemented without the prior approval of the Section 151 Officer;

- (b) the Section 151 Officer must be given access to any information necessary in order to comply with his/her statutory duties and the requirements and instructions of the Cabinet and Council;
- (c) no departures from any of the requirements of these FPRs may be made without the express written permission of the Section 151 Officer.

17.2.4.3 All references to the Section 151 Officer in these Rules shall allow for delegation to the Deputy Section 151 Officer in accordance with the Council's official policy on delegation.

17.2.5 Head of Legal and Democratic Services

The Head of Legal and Democratic Services is the Monitoring Officer appointed under Section 5 of the Local Government and Housing Act 1989.

17.2.6 Chief Officers

17.2.6.1 Chief Officers are fully accountable for the financial management of those services which form their areas of responsibility.

17.2.6.2 Chief Officers are responsible for ensuring that the arrangements, guidelines and procedures for the proper administration of their services' financial affairs are agreed with the Section 151 Officer and operated in accordance with the Council's framework of approved rules and regulations.

17.2.6.3 Chief Officers shall make proper arrangements within their Services for securing economy, efficiency and effectiveness in the use of resources, taking into account the policies and objectives of the Council.

17.2.6.4 Before any commitment is made and before reporting the matter to Cabinet, a Chief Officer must consult the Section 151 Officer in respect of:

- (a) the incurring of expenditure in excess of the approved budget;
- (b) the incurring of expenditure which the Council has no statutory power to incur;
- (c) any failure to comply with the financially related provisions of any United Kingdom (UK) or European legislation;
- (d) any failure to comply with the financially related provisions of any Code of Practice adopted by the Council.

Chief Officers are responsible for the management and administration of Grant Funding within the areas of their

responsibility. This should be undertaken in accordance with the relevant Financial Procedure Note.

17.3 **Budget**

- 17.3.1 Every Chief Officer will prepare, for their areas of responsibility, revenue and capital budgets, the detailed form of which, including procedures and the timetable to be followed, shall be determined by the Section 151 Officer, consistent with the general direction of the Cabinet.
- 17.3.2 Each capital scheme shall include such details as shall be determined by the Section 151 Officer.
- 17.3.3 The Section 151 Officer will report to the Cabinet and Council on:

- (a) all necessary statutory or other approvals have first been obtained; and
 - (b) Procedure Rules with respect to contracts, including these Rules and any relevant policies, strategies and Financial Procedure Notes have been complied with; and
 - (c) the total amount of the tender or quotation does not exceed the total approved sum for the contract for that scheme in the Capital Programme.

- (d) no reservation has been placed on the expenditure by the Cabinet or Council.
- 17.4.3 Subject to the above, inclusion of a scheme in the approved Capital Programme shall also confer authority on the Cabinet to incur expenditure on the acquisition of any necessary land to enable the scheme to be progressed, providing that provision for the cost of acquisition is also included in the Capital Programme.
- 17.4.4 Chief Officers shall monitor the capital budget with a view to avoiding delays in the progress of schemes under their control and to avoid overspending against the approved capital estimate. Overall monitoring of the Capital Programme will be carried out by the Section 151 Officer who will report to the relevant Scrutiny Committee, the Cabinet and Council as applicable.
- 17.4.5 Chief Officers must not incur greater expenditure on a scheme than the amount included in the Capital Programme. If it appears that any such overspending may be incurred, a report must be submitted to the Cabinet detailing how the shortfall will be funded.
- 17.4.6 Resources shall not be transferred between schemes unless Cabinet has given prior approval.

- 17.5.1 Any proposal to incur expenditure which will result in a new or change of existing policy will be the subject of a report by the appropriate Chief Officer to Cabinet.
- 17.5.2 A Chief Officer may incur revenue expenditure for a purpose included in the revenue budget unless the Cabinet or Council has placed a reservation on such expenditure. In the case of grants to outside organisations or individuals, specific approval of the Cabinet must also be obtained to sanction the payment (except where the Scheme of Officer Delegations provides otherwise).
- 17.5.3 Unless otherwise determined by the Council:

- (a) all services' budgets will be cash limited and not augmented during the year to meet pay and price increases;
 - (b) overspending at the financial year end will be carried forward to be offset against the following year's budget for that head of expenditure.
- 17.5.4 Chief Officers are responsible for monitoring their budgets to ensure that the cash limited expenditure for each budget head under their control does not exceed the budget estimate. For the purpose of these Rules, the term "budget head" refers to the objective analysis detailed in the approved estimates reported to Council.
- 17.5.5 The Chief Executive, Directors and Heads of Service may, in consultation with the Section 151 Officer, transfer budgetary provision from one budget head to another (virement) provided that:

 - (b) the transfer will not result in the adoption of a new policy or change to an existing policy;
 - (c) the transfer will not result in additional revenue commitments in future years.
- 17.5.6 Any transfer of budgetary provision which does not meet the criteria set out in Rule 17.5.5 shall be subject to approval by the Cabinet.
- 17.5.7 Chief Officers will be expected to contain expenditure within their approved budgets by the exercise of budgetary control and virement. If unforeseen changes in expenditure arise during the year which cannot be contained within a Chief Officer's overall budget, the matter should be reported immediately to the Section 151 Officer who shall determine the appropriate action to be taken.
- 17.5.8 A Chief Officer, without abrogating responsibility, may delegate to a budget holder the control of all or part of his/her budget, together with the relevant authority to incur and control expenditure, including powers of virement. In each case, the Chief Officer will maintain a record of such delegation and the limits imposed.
- 17.5.9 Chief Officers may incur expenditure on a revenue scheme previously notified in writing to be carried out on behalf of a third party, provided that:

17.7.1 The Section 151 Officer shall be responsible for determining all accounting systems, form of accounts, supporting accounting records and accounting control systems of the Council and its Officers in accordance with the Accounts and Audit (Wales) Regulations 2014 (as amended from time to time).

17.8 **Audit**

17.8.1 Section 151 of The Local Government Act 1972 requires that authorities "make arrangements for the proper administration of their financial affairs and shall ensure that one of their officers has responsibility for the administration of those affairs". In the Vale of Glamorgan Council, that Officer is the Head of Finance.

17.8.2 Part 3 of The Accounts and Audit (Wales) Regulations 2014 (as amended from time to time) concerns financial management and internal control. Regulation 5 directs that:

"The relevant body must ensure that there is a sound system of internal control which facilitates the effective exercise of that body's functions and which includes:

- (a) Arrangements for the management of risk, and*
- (b) Adequate and effective financial management."*

17.8.3 Regulation 7 of the Accounts and Audit (Wales) Regulations 2014 (as amended from time to time) states that "A relevant body (i.e. Council) must maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control". Any officer or member of that body shall, if the body requires;

- (a) Make available such documents of the body which relate to its accounting or other records as appear to that body to be necessary for the purpose of audit; and
- (b) Shall supply the body with such information and explanation as the body considers necessary for that purpose".

17.8.4 Internal Audit in Local Government is required to comply with the Public Sector Internal Audit Standards (PSIAS). Conformance with the Standards, the Definition of Internal Auditing and Code of Ethics is mandatory. The Regional Internal Audit Service (RIAS) which delivers Internal Audit for the Council is committed to meeting the standards laid down in the Public Sector Internal Audit Standards Framework and any

significant deviations from the Standards will be reported to the Governance and Audit Committee.

17.8.5 The scope for Internal Audit work includes the control environment comprising risk management, control and governance.

17.8.6 This effectively means that Internal Audit has the remit to independently review all the Council's operations, resources, services and processes in place to:

- Establish and monitor the achievement of Council objectives;
- Identify, assess and manage the risks to achieving the Council's objectives;
- Facilitate policy and decision making;

17.8.7 All the Council's activities, funded from whatever source, and indeed the entire control environment fall within the remit of Internal Audit.

17.8.8 Internal Audit will consider the adequacy of controls necessary to secure propriety, economy, efficiency and effectiveness in all areas. It will seek to confirm that management have taken all necessary steps to achieve these objectives.

17.8.9 The scope of Internal Audit work should cover all operational and management controls and should not be restricted to the audit of systems and controls necessary to form an opinion on the financial statements. This does not imply that all systems will necessarily be reviewed, but that all will be included in the audit needs assessment and hence considered for review following the assessment of risk. The Internal Audit activity is free from interference in determining the scope of internal auditing, performing work and communicating results.

17.8.10 The PSIAS require that an Internal Audit Charter (which is a formal document that defines the purpose, authority and responsibility of Internal Audit activities.) is considered and approved by the Governance and Audit Committee of the Council annually. The Charter is split into the following sections;

- Purpose, Authority and Responsibility;
- Independence and objectivity;

Internal Audit staff shall have unrestricted access to all Council activities and records (whether manual or computerised systems), personnel, Members, cash, stores, other assets and premises, including those of partner organisations and have authority to obtain such information and explanations as considered necessary to fulfil Internal Audit's responsibilities.

17.11.11 Chief Officers, in consultation with the Section 151 Officer, shall undertake a review of fees and charges on, at least, an annual basis.

17.12 **Money Laundering**

17.12.1 Money laundering is the process of concealing sources of money. Money evidently gained through crime is 'dirty' money, and money that has been 'laundered' to appear as if it came from a legitimate source is 'clean' money. Money can be laundered by many methods, which vary in complexity and sophistication. Money Laundering is covered by a number of different pieces of legislation which are referred to in the Council's Anti Money laundering Policy which is available on Staffnet.

17.12.2 Money laundering is the process of channelling 'bad' money into 'good' money to hide the fact that the money originated from criminal activity, and often involves three steps:

- **Placement** - cash is introduced into the financial system by some means;
- **Layering** - a financial transaction to camouflage the illegal source;
- **Integration** - acquisition of financial wealth from the transaction of the illicit funds.

There are two types of offences, which may be committed:

- Money laundering offences;
- Failure to report money-laundering offences.

The main types of money laundering offences are:

- Acquiring, using or possessing criminal property,
- Handling the proceeds of crimes such as theft, fraud and tax evasion,
- Being knowingly involved in any way with criminal or terrorist property,
- Entering into arrangements to facilitate laundering criminal or terrorist property,
- Investing the proceeds of crime in other financial products,
- Investing the proceeds of crimes through the acquisition of property / assets,
- Transferring criminal property.

Obligations of the Council

17.12.3 The law requires those organisations in the regulated sector and conducting relevant business to:

- Appoint a Money Laundering Reporting Officer (MLRO) to receive Suspicious Activity Reports from employees of suspected money laundering activity (see paragraph 17.12.7),
- Implement risk sensitive policies and procedures relating to customer due diligence, reporting, record keeping, internal control, risk assessment and management, the monitoring and management of compliance and the internal communication of such policies and procedures.

17.12.4 Not all the Council's business is 'relevant' for these purposes, it is mainly the accountancy and audit services carried out by the Finance Department and certain financial, company and property transactions carried out by the Legal Department. However, the safest way to ensure compliance with the law is to apply it to all areas of work undertaken by the Council.

17.12.5 Therefore, all employees are required to comply with the Council's Anti Money Laundering Policy in terms of reporting concerns about possible money laundering.

17.12.6 It is extremely important that all members and employees are familiar with their legal responsibilities and are vigilant at all times. Serious criminal sanctions may be imposed for breaches of the legislation. The key requirement on employees is to promptly report any suspected money laundering activity to the Money Laundering Reporting Officer (MLRO).

17.12.7 The key message of the Policy is that if you suspect that money-laundering activity may be taking place or proposed, in relation to

anything you are dealing with, you should immediately disclose those suspicions to the Council's MLRO, who is the Head of Finance / Section 151 Officer. The designated Deputy MLRO is the Council's Deputy Section 151 Officer (Operational Manager – Accountancy). They can be contacted using a confidential email address MLRO@valeofglamorgan.gov.uk.

17.13 **Insurance**

17.13.1 The Head of Finance shall administer all of the Council's insurance cover, including its own fund insurance, and shall negotiate all claims in consultation with other Chief Officers where necessary, and keep a register of all insurances affected.

17.13.2 Chief Officers shall give prompt notification to the Head of Finance of all new risks, indemnities, liabilities, properties, events or vehicles which require to be insured, including the amount of cover required, and any changes affecting existing insurances.

17.13.3 Chief Officers shall promptly notify the Head of Finance in writing of any loss, liability, damage, or event likely to lead to a claim, giving full details of the particular occurrence, and inform the police where criminal activities are suspected or it is a requirement to inform the Police.

17.13.4 All appropriate employees of the Council shall be included in a suitable fidelity guarantee insurance.

17.13.5 The Head of Finance shall, from time to time, review all insurances in consultation with other Chief Officers, where appropriate.

17.14 **Inventories**

17.14.1 Each Chief Officer shall be responsible for the plant, vehicles, machinery, equipment, tools, furniture and other non-consumable property in the Directorate and shall have a duty to:

- (a) Maintain an up-to-date inventory of such goods;
- (b) Carry out an annual physical check on goods listed in the inventory and take action in relation to surpluses or deficiencies, including noting the inventory accordingly and notifying the Head of Finance of any suspected irregularities;
